## Junior High Baseball

You may create your own team consisting of 10-15 players or register individually. All players registered will be placed on a team. Full baseball uniforms are included in registration fee. We have roster batting (everyone bats) and everyone plays at least three innings on defense. Players will be contacted the week of April 12 by the coach to notify them about the first practice. Your team will play in the North Star Baseball league with other north metro communities. You will participate in 16 scheduled league games and in a Forest Lake League tournament. MYAS also holds a state tournament. At least half of the games will be home; away games will be played in the north metro area. You do not need to be on a junior high baseball team currently. For team availability after April 1, please contact Jan Reely at 651-982-8392.
